

Photo/Video Policy

During AIWCC Events, you and/or your children may be photographed or videotaped. These images could be used in any of the following mediums:

- website and social media channels
- digital and print communications, including advertising and publications
- publicity and promotional materials
- presentation and exhibition materials

No names will be associated with the images, unless specific permission is requested and granted. Images will be stored and treated in accordance with GDPR. You have the right to request that images of yourself or your children be removed from digital mediums that the AIWCC manages. To do so, contact either the President at president@aiwccologne.org or VP at vicepresident@aiwccologne.org. Please note that material that has been printed, shared or reproduced in the public domain may continue to exist.

**We respect your wishes to not be photographed or videotaped
and to not have your child(ren) photographed or videotaped.
Please make us aware of this when you check in for the event, if this is the case.
Please do not participate in group photographs.**

Wishing you a wonderful time!
- AIWCC Board

This applies to photographs/video taken for official club purposes only. It does not apply to photos/video taken by club members for personal use. These matters must be addressed personally between members/parents.
